# SERMON DISCUSSION QUESTIONS

---

## MAIN POINT

---

The second chapter of Exodus shows God quietly and patiently working to prepare a servant fit for the service of Yahweh. By the end of the chapter, after Pharaoh died, “the people of Israel...cried out for help,” and we see that God has been preparing his servant Moses the entire time to liberate His people from bondage in Egypt. In this, we are to see that God is always at work, anticipating our needs, even before we speak them.
